#### ZON2021-00032:

The applicant is requesting a zone change from SF-5 Single Family Residential to GO General Office for a 22.73 acre parcel at 3310 West MacArthur Road, which is generally located on the one-half mile west of South Meridian Avenue and one-quarter mile north of West MacArthur Road. The purpose of the request is to permit General Office uses. The site is currently developed as a church. The application did not state whether or not the existing structures and use would remain or if the applicant desires to build additional structures on-site for new uses. The site is unique because the current structures and parking are on the extreme north side of the property fronting I-235. Access to these structures and parking is by a long driveway connecting south to MacArthur.

<b>Recommended Action:</b> Based upon the information available at the time the staff report was completed, staff recommends <u>APPROVAL</u> of the request, subject to Protective Overlay #373.
